**MOTION TO FILE AND ADMIT A STIPULATION BETWEEN
AMEREN TRANSMISSION COMPANY OF ILLINOIS AND
N. KOHL GROCER COMPANY**

Ameren Transmission Company of Illinois (“ATXI”) hereby moves for admission into the record in this case the attached Stipulation, marked as Stipulation Exhibit 4. In support of this motion, Petitioner states as follows:

1. ATXI filed a petition in this matter on November 7, 2012 seeking issuance by the Illinois Commerce Commission ("Commission") of a Certificate of Public Convenience and Necessity pursuant to Sections 8-406.1 and 8-503 of the Public Utilities Act, 220 ILCS 5/8-406.1, 8-503, authorizing ATXI to construct, operate, and maintain a new electric Transmission Line (as defined in the Petition) and related facilities (collectively, the “Project”) in areas of the State of Illinois.

2. ATXI proposed a Primary and Alternate Route for each section of the Project, including the portion of the route between the Mississippi River and the substation in southeast Quincy, Illinois.

3. N. Kohl Grocer Company, d/b/a Kohl Wholesale (“NKG”) filed a Petition to Intervene in this proceeding on December 10, 2012. On December 28, 2012, NKG filed an Alternate Route

Proposal in which it voiced opposition to the portion of ATXI's Primary Route between the Mississippi River and Quincy, Illinois and stated a preference for ATXI's Alternate Route for the portion of the Project between the Mississippi River and Quincy, Illinois. In the alternative, NKG proposed both a Primary Alternate Route and a Secondary Alternate Route.

4. The Stipulating Parties have engaged in discussions regarding resolution of certain concerns that have been raised by NKG in this proceeding with respect to proposed transmission line routes between the Mississippi River and the substation in Southeast Quincy, Illinois. As a result of the discussions, an agreement was reached between the Stipulating Parties resolving these concerns. This agreement is reflected in Stipulation Exhibit 4. Under the terms of the agreement, the Stipulating Parties, *inter alia*, support and recommend the Commission's approval of ATXI's Alternate Route for the portion of the Project between the Mississippi River and Quincy, Illinois, as modified to include Matt Holtmeyer Construction's second alternate route proposal (the "Stipulated Route – River to Quincy").

5. The Stipulating Parties agree that there is support in the record for the adoption of the Stipulated Route – River to Quincy.

6. The filing of Stipulation Exhibit 4 will ensure a full, complete and accurate record in this proceeding and will serve the interests of administrative efficiency in that issues otherwise in dispute are resolved by the agreement reflected in Stipulation Exhibit 4.

7. NKG has reviewed this motion and is in agreement with it.

WHEREFORE, for the above reasons, ATXI requests admission of Stipulation Exhibit 4 into the evidentiary record in this case.
